

Welcome to Trevi at Thames Hotel

The Thames Hotel is located next to the River Thames and was opened in the late 1880's, during which time it has had a colourful history. The hotel had one of the earliest telegraph Offices for the use of its aristocratic guests, and had a dubious distinction of having had a proprietor who lost the freehold on the turn of a card.

Under the Current Owners the Hotel has undergone extensive refurbishment and now has 33 bedrooms, all with en-suite facilities, many offering superb views of the River Thames.

Trevi Italian Restaurant is new at the Thames Hotel. Since the Restaurant opened in December 2009, it has gained a lot of regular customers.

With quality food, bags of charm and more than a dash of elegance, Trevi Ristorante Italiano is the perfect place for those seeking a corner of the Mediterranean in our very own Royal County.

We hope you have a very enjoyable evening.
